

AUTUMN Photo Contest

It's time to focus on the sights and colors of **AUTUMN**, particularly whatever means

autumn on CC trails, to you--whatever truly speaks to this glorious season. **BEST** photos will win prizes and publication on our website and Facebook/Instagram pages.

CONTEST RULES:

- Autumn Photos are taken from September 1 through November 30, 2023, and **MUST** be taken on Caledonia Conservancy properties (addresses and maps are on the website).
- Photos should represent the best of **AUTUMN**: leaves/trees/colors, mushrooms/fungi, acorns/seeds, flowers of autumn—other natural subjects too (but no people, please).
- Photos will be judged on clarity and autumn interest. The judging group will include a professional photographer.
- Age groups will be judged separately: **Gr.K-6, Gr.7-12, and Adult**. Each age group will have a \$100 winner.
- Only amateur photographers may enter.

How to Submit Your Photos:

- Deadline for submitting photos: DECEMBER 7, 2023 for the Autumn Contest.
- You can submit up to **SIX** photos to be judged.
- Attach photos to an e-mail addressed to Conservancy member Barb Hugier, rhugier@wi.rr.com. (If you have contest questions, contact her.)
- **The email must include:**
 - Your name, address, phone number, age group (see above), and e-mail.
 - For each photo, a short description of where and what date the photo was taken.
 - Indicate your permission to the Caledonia Conservancy to publish your photo(s) and your name. Note: if you do not wish your name published on the website or social media make sure to note that (or initials or first name only).

Plan to get out to our trails this AUTUMN, and bring your phone or camera!

If you appreciate the Caledonia Conservancy lands, please consider a yearly donation, and/or volunteer your time to help, either with trail maintenance, or in another capacity. We're all volunteers in the CC; we're here for the land and for you. We'd love to have you join us.
